Welcome to the 2009 Virginia State championships.

I am pleased to report that we have retired all of our promissory notes. A great amount of thanks goes to our note holders, officers past and present, and the many people who have volunteered their time over the years to make this possible.

I look forward to seeing and shooting with you this year at the Virginia home grounds in Winchester and other Virginia gun clubs throughout the state.

Sincerely,

The Virginia Trapshooting Hall of Fame, Inc. (VTHOF) is a non-profit organization separate from the VTA. It seeks to encourage participation in trapshooting among the younger generation through supporting youth programs and education at the VTA gun clubs. The VTHOF was incorporated in January 2002 and has tax-exempt status as defined under section 501(c)(3) of the IRS Code. The VTHOF also oversees the annual selection process for inducting a Virginia trapshooter into the Virginia Trapshooting Hall of Fame. Selection is based on superior marksmanship or outstanding efforts made on behalf of trapshooting in Virginia. Plaques honoring all VTHOF inductees may be seen in the club house of the Winchester Gun Club (WGC).

If you would like additional information, have suggestions for projects supporting VTHOF functions, or are able to contribute financially, please contact Bob Igou (bobigou@verizon.net) or any of the officers listed above.

BOB'S SHOOTING SUPPLIES AD

GENERAL SHOOT INFORMATION

The Virginia State Shoot will be held at the VTA Homegrounds, Winchester Gun Club, Stephenson, VA. The Virginia Trapshooting Association, Inc. (VTA) will have full responsibility for conducting this shoot. The VTA and the Winchester Gun Club are not responsible for accidents or injuries on the Winchester Gun Club grounds.

All current ATA and VTA rules and regulations will be enforced. The VTA reserves the right to refuse or reject any entry. The VTA also reserves the right to change the program for any reason. No entry fee options will be refunded unless event is cancelled. Daily fees are \$5 - \$3 to VTA and \$2 to ATA.

On the first day of the shoot, you can only sign up in the morning for that day; sign up for the remaining shoot program can be done that afternoon.

All state shoot targets will be shot 50/50 on 6 banks, 2 traps per bank. All handicap and 16-yard targets will be shot 5 per station except doubles which will be shot on 8 banks, one trap per bank. However, two boxes of shells are to be taken to the line. After the first 25 targets are shot, the second 25 will immediately follow in rotation. This will complete the first 50 targets without anyone leaving the firing line. Any shooter leaving the line for shells will have to make up the second 25 targets on the practice trap. If a shooter misses his/her squad and the squad has started shooting, the entire 50 targets will have to be made up on the practice trap.

Banks 1 thru 6 will each have two traps. The six banks will be randomly assigned a bank number about a half-hour prior to the start of each event; example: A numbered "pill" (numbered 1 to 6) will be drawn. If the "pill" drawn is number 5, then squad one will start on bank 5, squad 2 will start on bank 6, and squad 3 will start on bank 1, etc.

It was decided that shooters are mature enough to follow an established procedure and should not need enforcement. However, the squad leader (post one) has the responsibility to keep the squad moving through the 50 targets in an unbroken sequence and in a timely fashion.

Shootoffs will be carried over to the next day when permitted.

Squads may be reassigned different fields because of broken traps or other delays at the discretion of management.

Middle 50's – If no winner, carried to next day; if no winner last day, high score wins.

We will have special events and rolling jackpots. All purses are % purses.

The two practice traps will be the last two traps at the end of the firing line. There is sufficient parking at that location with an access road. The first two traps (old practice traps) will be the first bank of program traps. Cost is \$2 for 10 targets and \$4 for 25 targets.

CLASSIFICATION AND HANDICAPPING

The Classification Committee will classify and handicap all shooters. It is the **shooter's responsibility** to have his/her average card up to date. Those who do not have their card up to date will be assigned class/yardage at the discretion of the Committee. Averages for 2007-2008 will be used plus known ability. Any shooter may shoot **targets only** to avoid being penalized in any event. All shooters must present their average card and ATA plastic membership card to the Classification Committee to be classified. **No card – No classification.**

BOB SCHULTZ AD

Virginia Trapshooting Hall of Fame 2008 Inductee

DONALD W. JOBE

As a member of Winchester Gun Club since 1969, Don served on the board of directors during the presidencies of John Light and Lee Collins. Don was responsible for the trap boys and maintained the grounds for seven years. He also built fences, helped rebuild the trap houses for pat traps, and contributed a share of WGC stock to help pay for the land purchased by the VTA and WGC.

During Don's thirty-nine years of trap shooting he has shot more than 100,000 sixteen yard targets, more than 100,000 handicap targets, and approximately 60,000 doubles targets. In the early 1970's, Don was runner-up to the state singles champion and won AA class twice. At the Grand American, Don shot in the Champion of Champions event twice. Over the years he has won over 200 trophies and has donated a good many back to the WGC for reuse.

Don helped start the "Road Kill Gang" at the 1983 State Shoot. This group assisted and fed shooters at the Virginia State Shoot, the Maryland State Shoot, and the Memorial Shoot at Tuscarora for over 20 years. After the death of many members, the Road Kill Gang has basically disbanded. They donated a shooter's bench and their shade pavilion to the WGC.

Don has been a 27-yard shooter for many years and has contributed much to our sport.

Congratulations, Don, from all your fellow shooters.
